

The Bimetal Tools Guarantee

It is really important to us that you benefit from the following:-

- No Quibble, lifetime guarantee on all spanners and ratchets*
 - Competitive Prices
 - Meeting acknowledged delivery dates
- Clear and precise communication and technical support
 - High Quality product manufactured in the UK
 - In House product development and testing
 - ISO accreditation

* Guarantee covers build quality and assembly. Does not cover wear and tear of the socket or damage through misuse.

*Lifetime guarantee on spanners and ratchets is against the build quality and does not include fair wear and tear of the socket or damage caused by misuse.
